

Interim name: Center for Spiritual Living Ballard, at Amazing Grace

Proposed vision, mission, purpose and affirmation statements:

Vision: A world transformed, where everyone lives authentically and unapologetically from their divine nature.

Mission: To teach universal principles—many paths, one truth—grounded in science and ancient spiritual wisdom, fostering personal transformation and sacred community.

Purpose: To be a vibrant, loving, inclusive spiritual community where everyone, regardless of background, grows and thrives in unity, compassion, and personalized spiritual expression.

Affirmations:

- We boldly lead, heal, love, and learn together, offering deep, joyful exploration to find our voice and deepest truth.
- We ignite positive change in the world, recognizing our interconnectedness with all things.
- We value and support personal growth for the evolution of a world that works for everyone.
- With integrity, alignment, and a lightness of heart, we make authentic connections, meeting people where they are with who we are.

Please review these statements and share your feedback with the CORE Council. Feedback must be received by Sunday, October 6, 2024. Write your comments on this form (your name must be included) and place in the collection basket or email corecouncil@amazinggraceseattle.org.
